

NCTA Triangle WISE presents:
PAY IT FORWARD
Give a gift of technology this holiday season.

Networking Reception
Tuesday, December 11
5:30 - 8:00 p.m.

The Friday Institute for Educational Innovation
1890 Main Campus Drive
Raleigh, N.C. 27606

In partnership with

We want to do more to prepare underprivileged students throughout North Carolina in the Science, Technology, Engineering and Math fields. It is our turn to pay it forward. We want you to be part of the solution! **Donate a brain game or piece of educational software and receive a complimentary registration.**

Keynote Speaker

Dr. Louis Martin-Vega

*Dean of the College of Engineering, N.C. State University
and*

Museum of Science & Industry's (MOSI) 2007 National Hispanic Scientist of the Year
