F4K's Mission

To bridge the gap between the hopes and dreams of our students and the workforce development needs of our communities.

} “Real success is finding your
lifework in the work that you love.”

— David McCullough

Explanation of Student Data

- This data is a snapshot in time, with counties being at various stages of delivery. F4K partners with counties to customize delivery, therefore you may see some districts that are beginning the program in 6th or 7th grades and others that are using F4K heavily in 8th, 9th or other grades.
 - The 'Top Recommendations' box refers to the clusters/pathways students are assessing into based on how they responded to the Matchmaker Quiz.
 - The Most Popular list refers to the careers that are being saved most frequently as favorites by students in that county.
 - Schools using F4K can identify the following students individually (e.g. the 8th grade girls assessing into or interested in STEM careers).
-

For More Information

Want to know more about your county
or don't see your county listed?

Interested in providing opportunities
or information to identified students?

Please call your local school(s) or contact F4K at:
800-965-8541 x205 or susanm@f4k.org
