

**Futures for Kids (F4K)** is an online career exploration program that uses technology to connect students with people and employers across North Carolina to show them the relevance of education to their future success.

**Want to get involved? You can...**

- pay it forward** → talk with students about your educational and career experiences via online message boards that accommodate your schedule
- provide insight and encouragement** → equip students as they are making critical decisions about their future and identifying the skills to succeed
- share work-based learning opportunities** → interested in providing job shadowing, internships or classroom speakers? Post potential WBLs on F4K
- fill the pipeline for future growth** → promote growth industries in NC and lay the foundation for a pool of skilled workers to attract and retain industry

**Life is what you make it. start here.**

Futures for Kids • 800 St Mary's St • Raleigh, NC 27605 • 800.965.8541 • info@f4k.org
